**BACKGROUND**

**WHEREAS**, on February 29, 2020, Washington State Governor Jay Inslee issued Proclamation 20-05, proclaiming a State of Emergency for all counties throughout Washington State as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States and confirmed person-to-person spread of COVID-19 in the state of Washington; and

The in-person meetings will be available for remote access and individuals desiring to participate by phone will be provided with instructions to phone into the meeting; and

**WHEREAS**, in light of the City's success in insuring that its employees are vaccinated or have received an accommodation and in light of the Governor's lifting of the mask mandate and proof of vaccination for large events.
